Subject: RE: Any update on the Rolling Knolls situation with ARCARDIS?
Date: Monday, July 27, 2015 9:02:42 AM

Juan,
Nothing new. Although, EPA agreed to copy 4 people from the PRP group now they have added John. We can add John if you like.

I've been out.

I spoke with Ricci last week and with Tanya, thereafter. All seems to be fine. Tanya will continue to communicate with ARCADIS as normal and will add John as a cc. John is no longer with ARCADIS. He works, as a consultant, for the Group.
